Words from Close COTA Friends

**With Love from all who have worked with,
cared about, and are thankful to you. You
will forever be missed**

----Current COTA Board

We are all sad to have lost one of our best friends, one of the most dedicated professionals in the field of transportation planning, and one of early pioneers to promote and develop NACOTA. Fang's life is short, but her contributions are so great! At this time of memorizing Fang, we all should inherit her spirit and carry on her unfinished tasks

From Yu Lei

I will forever be grateful to have known Fang. I will forever be grateful that Fang devoted her professional talent and efforts to transportation in her beloved countries – US and China. I will forever be grateful that she was once there taking the NACOTA leadership role and treated it with high integrity. All the memories I have shared with her will forever be cherished and remembered. Fang will forever live in my heart... In our hearts.

From Jason Wang

**Fang, words can not describe my pain
of losing you! Our hearts are broken.**

From Connie & Ran Bing

“Death leaves a heartache no one can heal, love leaves a memory no one can steal”

“Life is eternal, and love is immortal, and death is only a horizon; and a horizon is nothing save the limit of our sight”

When someone you love becomes a memory, the memory becomes a treasure. In tears, I wish Fang peace in eternity

From Yu-Jiang Zhang

**A woman of beauty and wisdom,
A mother of love and kindness,
A mentor of care and passion,
A leader of vision and strength,
A friend of character, trust and sharing,
A professional of ethics and integrity, and
A professor of devotion and great accomplishments!**

Yi Ping

*To Fang, our beloved
friend, sister and leader,
you are forever in our
hearts.*

From all COTA members
